Hi Rebecca,

We don't charge fees for reviewing UIC permit applications.

Best regards,
Calvin

Subject: EPA Fee Schedule ?

Hi Calvin,

Happy Friday.

As I may have mentioned, we are actively updated and refining our project plans to move into the next phase of development of the Mendota Project.

I have been through the US EPA's UIC website multiple times but have been unable to find information on the fees associated with a Class VI permit application. Is this something you could share with us?

Thanks again and have a good weekend!
-Rebecca
